ISAAC International Mission:

To promote the best possible communication for people with complex communication needs.

ISAAC International Vision:

Augmentative and Alternative Communication (AAC) will be recognized, valued and used throughout the world.

ISAAC Canada Purpose:

- To educate and provide information to local, provincial and federal governments within Canada regarding issues related to Canadians who have little or no functional speech and/or writing.
- To work toward reducing barriers and increasing opportunities for Canadians who have little or no functional speech and/or writing.
- To work toward ensuring that public and private funding for Canadians who use AAC is sufficient to meet their communicative needs.
- To maintain ongoing communication with Canadian members.
- To work with its membership and AAC related non-profit organizations to advance its objectives.
